ABOUT US

MTM College, one of the pioneers of IT education in BIHAR, proudly celebrates its After exploring 15 year plus in corporate life Mr. Chitz (Trustee) found that there is huge difference between employability and employment of the current human resource in different sectors of corporate demands. Students are well educated and well informed but not transformed. They have data and information but not the knowledge and intellectuality. To solve this universal problem MTM College was founded. MTM College is committed not only to educate but to transform their personality.

MTM college has got highly experience committee members form different walks of life.

The vision of MTM Group was conceived by Mr. Chitiz Sahay and his father Mr. Parimal (President) initiated this venture. With his vision of future, where computers would become inevitable part of our day to day lives, the institution started its operations.

It has been our endeavor to bring difference in lives of thousands of students of Bihar, who are meritorious but could not find means to progress due to want of proper career guidance. In all these years, we have done our own little contribution to Impart IT and Management Education to children of Bihar, Ms. Pallavi have made dreams of many of our students to become skilled, reality and in the process emerged as one of the most respected institutions in the state. Over all these years, it has been our consistent to provide best quality of education to the students, as we firmly believe that only knowledge is something that a student will remember us for.

Today, MTM College is one of the top in terms of infrastructure in entire state of Bihar spread over 2 acre land, We have over 20 lecture halls, 2 seminar halls, 2 computer and with Digital Library labs with state-of-art computers and servers. MTM College is an Affiliated college of Aryabhata Knowledge University, Patna, Bihar One of the biggest reasons MTM College is able to impart quality education is our emphasis on co-curricular activities. Regular seminars, presentations, technology based training, cultural events – its all found here. In the recent past. We wish the continue the same with renewed and create many happy professionals in future.

PRINCIPAL MESSAGE _____

We live today in a world that is so different from the one we grew up in, the one we were educated. The world today is changing at such an accelerated rate and we as educators need to pause and reflect on this entire system of education. Our College is well equipped to prepare our students to face the challenges that the future holds. Aristotle on said that "Educating the mind without educating the heart is no education at all," Teamwork is the hallmark of MTM College . I am very sure through collaborative effort. We can achieve more to benefit our students who are future leaders of tomorrow.

With sincere and warm regards
